

TECHNICALLY SPEAKING

The **ReNew *INTENSE BLUE*** is a line of highly concentrated, formaldehyde free cleaners & deodorizers designed specifically for closed system sanitation systems such as portable toilets. ***INTENSE BLUE*** achieves its cleaning strength through the combined actions of **surface tension reduction, odor neutralization, & chemical deodorization.**

The INTENSE BLUE Advantage

- * Formaldehyde Free Can be used where formaldehyde systems are restricted. Safer for users & the environment
- * Unique Odor Control ***INTENSE BLUE*** uses targeted molecular complexing to surround and suppress mal-odors.
- * Non-Staining Blue Our proprietary blue dye masks wastes without staining surfaces
- * Superior Detergency ***INTENSE BLUE*** combines multiple surfactants to create a perfect balance of cleaning strength. Each surfactant has been selected to clean specific soils, from bodily fluids to scuffs & marks.
- * Multi-Purpose One system both deodorizes holding tanks & cleans interior surfaces
- * Safer to use Completely biodegradable, will not harm bacterial activities in sewage treatment facilities.
- * High Concentrate Dilute product 1:128 with water.
