MEET OLLIE THE OIL EATER™

Ollie personifies the friendly ingredient, pro-strength technology that makes Oil Eater® products safe & easy to use. Friendly on surfaces. Friendly for people. Hungry to Clean the toughest messes!

FUN FACT: When not eating hydrocarbons, Ollie is a competitive ballroom dancer (gentle & perfectly balanced)

RAPID CLEAN ABSORBENT

MADE WITH 100% NATURAL GRANULAR

NATURAL & SAFE SPILL ABSORBENT

Using 100% natural and renewable corn cob, this absorbent is an easy way to control spills for easy clean up. Absorbs up to 5X it's weight, clumps quickly and has low dust. Unique bag size is ultra portable and offers superior merchandising.

SIZE	PART #
1.6 lb	AOA-GRAN-001
Bulk	Inquire for Options

ABSORBS UP TO 5X WEIGHT IN LIQUID SPILLS!

- ✓ Motor Oil
- ✓ Antifreeze
- ✓ Brake Fluids
- ✓ Oil-Based Paint
- ✓ Water-Based Paint
- ✓ Chemical Spills
- ✓ Pet & Animal Messes

NATURE'S ABSORBENT

Pith is the most porous & absorbent part of the cob, designed to supply liquid nutrients to the kernel.

SPRAY-ON HAND CLEANER

NO SINK REQUIRED!

NEW!

SPRAY-ON HAND CLEANER FOR PROFESSIONALS

Biodegradable formula is a grease-destroying alternative to harsh, abrasive hand cleaners. This convenient spray bottle generously lathers hands with a gentle soap, quickly removing grease and oil from hands. And the best part of all: no sink is required! Just spray on, wipe off.

Clean anywhere with this innovative waterless hand cleaner!

- Great for keeping hands clean in garage or driveway
- Use at the shop when there are no sinks nearby
- Take on the go for camping & outdoor activities
- Keep in the car to clean spills on the road
